The New York Metropolitan Transportation Council (NYMTC), an association of governments and transportation providers, is pleased to release the 2000 County Profiles brochure. These statistical information will be updated and made public on an annual basis, and is designed to provide at a glance the demographics and transportation statistics for the Bronx county. The data available in this brochure are for the years 1990 and 2000 and were collected from census reports as well as from the New York State Department of Motor Vehicles. Additional statistics for other counties of New York City and its suburbs may be found on the NYMTC web site. For further information, please contact Leokadia Glogowski at Iglogowski@dot.state.ny.us or 718.472.3170. The information in this brochure is also presented on the NYMTC website, www.nymtc.org
